REQUIRING SUPPLEMENTAL COMMENTS ON STATUS

I. Application

On December 5, 2014, Public Utility Commission of Texas (Commission) Staff filed a status report regarding the application of the city of Thrall which was filed with the Texas Commission on Environmental Quality (TCEQ) on January 28, 2010. Commission Staff reported: (1) the application was referred to the State Office of Administrative Hearings (SOAH); (2) a preliminary hearing was held; (3) the parties reached a settlement on October 11, 2012; and (4) SOAH remanded the case to TCEQ for further processing on October 23, 2012. However, at this point, Commission Staff has been unable to locate a final order issued by TCEQ. Staff stated that the city of Thrall is working with Staff to locate TCEQ's final order or draft a new proposed final order.
