FILING CLERK  
OF TEXAS

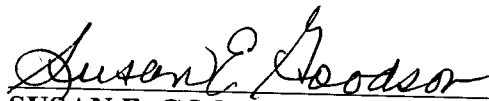

**ORDER NO. 4  
GRANTING REQUEST FOR ADDITIONAL TIME**

On February 6, 2015, Public Utility Commission of Texas (Commission) Staff filed a status update and request for additional time for review of this matter. Commission Staff stated this matter was initiated in 2010 with the Texas Commission on Environmental Quality (TCEQ), referred to the State Offices of Administrative Hearings in 2011 because there were 2 hearing requests, but that it settled in 2012 and was remanded back to the TCEQ. However, for reasons unknown to Commission Staff, a final order from the TCEQ cannot be found. Therefore, additional time is needed to continue to work with the parties to obtain documents from the City of Thrall that will aid in the drafting of a proposed final order. Commission Staff proposes to provide a proposed order or status update by March 20, 2015.

Commission Staff's request for extension is granted. Commission Staff shall file, on or before **March 20, 2015**, an update regarding the status of this proceeding and/or a proposed order.

SIGNED AT AUSTIN, TEXAS the 11<sup>th</sup> day of February 2015.
