PUBLIC UTILITY COMMISSION

2816 OCT -3 PM 2:
PUBLIC UTILITY COMMISS
FILING CLERK

OF

TEXAS

Thrall provided notice of the Application and received hearing requests from two affected parties. The matter was referred to the State Office of Administrative Hearings (SOAH) and a preliminary hearing was held at SOAH on January 5, 2011 where, aside from the TCEQ, NOACK WSC, and Stiles Farm were named as parties. The parties engaged in settlement negotiations for a protracted period of time and initiated formal discovery when settlement seemed unlikely. However, the parties reached a settlement on October 11, 2012, and SOAH remanded the case to TCEQ for further processing on October 23, 2012. For reasons unknown to Staff, a final order from TCEO cannot be found.

II. STATUS UPDATE AND REQUEST FOR ADDITIONAL TIME

The proposed settlement package is being circulated to all parties for final review and signature the week of October 3, 2016. The settlement package will be submitted to the ALJ when all parties consent. Staff proposes to file a proposed notice of approval or status update by November 8, 2016.

III. CONCLUSION

Staff respectfully requests the ALJ issue an order consistent with the above request.

Respectfully Submitted,

PUBLIC UTILITY COMMISSION
