STATUS UPDATE AND REQUEST FOR ADDITIONAL TIME

COMES NOW the Staff of the Public Utility Commission of Texas (Staff), representing the public interest and files this Status Update and Request for Additional Time. In support thereof, Staff shows the following:

I. BACKGROUND AND DISCUSSION

On January 28, 2010, the City of Thrall (Thrall or Applicant) filed with the Texas Commission on Environmental Quality (TCEQ) an application (Application) to amend a Certificate of Convenience and Necessity No. 13036 in Williamson County pursuant to Tex. Water Code §§ 13.242 thru 13.250 (TWC) and 16 Tex. Admin. Code §§ 24.101 thru 24.107(TAC). The Application was received by the Commission on September 5, 2014.

Thrall provided notice of the Application and received hearing requests from two affected parties. The matter was referred to the State Office of Administrative Hearings (SOAH) and a preliminary hearing was held at SOAH on January 5, 2011 where, aside from the TCEQ, NOACK WSC, and Stiles Farm were named as parties. The parties engaged in settlement negotiations for a protracted period of time and initiated formal discovery when settlement seemed unlikely. However, the parties reached a settlement on October 11, 2012, and SOAH remanded the case to TCEQ for further processing on October 23, 2012. For reasons unknown to Staff, a final order from TCEQ cannot be found.

Order No. 23 allowed Staff until March 21, 2017 to file a status update or proposed settlement package.

II. STATUS UPDATE AND REQUEST FOR ADDITIONAL TIME

Staff communicated with Thrall on March 21, 2017. Thrall obtained signatures from the remaining parties on March 20, 2017. Thrall is mailing those documents to Staff. Staff will then review the documents to make sure all is in order before filing. Therefore, Staff respectfully requests until April 21, 2017 to file a proposed settlement package or status update.

III. CONCLUSION

Staff respectfully requests the ALJ issue an order consistent with the above request.

Respectfully Submitted,

PUBLIC UTILITY COMMISSION
