Re: PUC Docket No. 42958; Application by Aqua Texas, Inc., Certificate of Convenience and Necessity No. 13203, for Approval of a Sale, Transfer, or Merger of CCN No. 11157, Southeast Region-Gray Water System Service Areas and Assets (Gray Utility Service Water System; 37943-S) ("Application").

Dear Debbie:

In response to your September 29, 2014 inquiry on the above referenced Application, enclosed please find corrected system pages for the Barrow Ranch and Carriage Trail Subdivision systems located in Attachment 7 of the Application. Thank you for your assistance in processing the Application. Please let us know if additional information is need.

Sincerely,

Beckie Figg, Paralegal
THE TERRILL FIRM, P.C.

Enclosures.

Barrow Ranch

17. A. For Water Systems: TCEQ Public Water System Identification Number: 0360112

Date of last inspection: January 20, 2012

18. A. Are any improvements required to meet TCEQ standards? No.
- B. Is there a moratorium on new connections? No
- C. Provide details of each required major capital improvement to correct the deficiencies and meet the TCEQ standards: Not applicable.

19. Does the system being transferred operate within the city limits of a municipality or within district boundaries? Yes.

Number of customers within city limits or within district boundaries. 196 - Water

20. Do you currently purchase water or sewer treatment capacity from another source? No

21. List the number of existing connections to be effected by this transaction.

Water			
3	Non Metered		2" Meter
190	5/8" or 3/4" Meter	1	3" Meter
2	1" Meter		4" Meter
	1 1/2" Meter		Other
Total Water Connections			196

22. Has the system reached 85% of its capacity based on TCEQ's minimum requirements?

Aqua Texas evaluates system capacity on an annual basis and has a capital improvement program in place to add facilities as needed to meet TCEQ minimum requirements. Aqua Texas, Inc. will continue that program upon completion of the proposed transactions, which will merely shift assets among Aqua America, Inc. subsidiaries. If information about a specific system is desired, Aqua Texas will provide that information upon request.

Carriage Trail Subdivision

17. A. For Water Systems: TCEQ Public Water System Identification Number: 0360093

Date of last inspection: February 9, 2012

18. A. Are any improvements required to meet TCEQ standards? Yes.
- B. Is there a moratorium on new connections? No
- C. Provide details of each required major capital improvement to correct the deficiencies and meet the TCEQ standards: Well capacity issues – submitted capacity exception request to TCEQ on May 22, 2013 and follow-up letter on July 1, 2013. No recorded sanitary control easement or exception documentation – working with landowners to resolve. Last update provided to TCEQ on July 1, 2013.

19. Does the system being transferred operate within the city limits of a municipality or within district boundaries? Yes.

Number of customers within city limits or within district boundaries. 25 - Water

20. Do you currently purchase water or sewer treatment capacity from another source? No

21. List the number of existing connections to be effected by this transaction.

Water			
2	Non Metered		2" Meter
34	5/8" or 3/4" Meter		3" Meter
	1" Meter		4" Meter
	1 1/2" Meter		Other
Total Water Connections			36

22. Has the system reached 85% of its capacity based on TCEQ's minimum requirements?

Aqua Texas evaluates system capacity on an annual basis and has a capital improvement program in place to add facilities as needed to meet TCEQ minimum requirements. Aqua Texas, Inc. will continue that program upon completion of the proposed transactions, which will merely shift assets among Aqua America, Inc. subsidiaries.
