**ORDER NO. 19
REQUIRING CLARIFICATION**

This Order requires Commission Staff to provide clarification regarding the public water systems (PWS) included in this application. The memorandum attached to Commission Staff's December 30, 2015 recommendation on final disposition identifies ten PWSs. However, the bill of sale provided by Aqua Texas, Inc. d/b/a Aqua Texas on January 3, 2017, identifies eleven PWSs, adding the Towering Oaks I subdivision, PWS No. 1460145. The bill of sale also shows PWS No. 1460096 as serving the Oak Meadows II subdivision and PWS No. 1460100 serving the Oak Meadows III subdivision, which appears to be the opposite of Commission Staff, and appears to miss-number PWS No. 1460100, which Commission Staff shows as PWS No. 1050100. Finally, the memorandum attached to Commission Staff's March 10, 2017 recommendation on final disposition identifies eleven PWSs, again showing Oak Meadows II served by PWS No. 1050100 and Oak Meadows III served by PWS No. 1460096, does not include Towering Oaks I but adds the Icet Cove subdivision, with no PWS, customers or facilities in it.

Therefore, it is unclear precisely which water systems are included in this application. On or before April 17, 2017, Commission Staff shall clarify and confirm the PWSs that are included in this application.

SIGNED AT AUSTIN, TEXAS the 10th day of April 2017.
