**ORDER NO. 2
GRANTING EXTENSION**

On October 20, 2014, Commission Staff responded to Order No. 2 by requesting additional time in which to provide an update of the status of this proceeding. Specifically, Commission Staff stated, due to the recent transfer of water and sewer utility cases to this Commission, good cause exists for additional time so that location of the relevant documents and review of the application can be accomplished prior to submitting a recommendation on the proper processing of this docket. Commission Staff noted that a determination of administrative completeness in this proceeding has not yet been made; therefore, the 120-day clock pursuant to P.U.C. SUBST. R. 24.109(e) has not yet started.

Commission Staff's request for extension is granted. Commission Staff shall file, not later than December 19, 2014, a recommendation on the need for a hearing, on final disposition, or propose a procedural schedule for processing this proceeding.

SIGNED AT AUSTIN, TEXAS the 21ST day of October 2014.
