**ORDER NO. 11
FINDING CLOSING DOCUMENTATION SUFFICIENT
AND ESTABLISHING PROCEDURE SCHEDULE**

On October 12, 2015, Public Utility Commission of Texas (Commission) Staff filed a recommendation regarding the sufficiency of the closing documentation submitted on October 2, 2015, by Aqua Utilities, Inc. and Aqua Texas, Inc. d/b/a Aqua Texas (Aqua Texas). Specifically, Commission Staff recommended that the closing documents be deemed sufficient proof that the sale has been consummated.

Consistent with Commission Staff's recommendations, the entirety of the closing documentation provided by Aqua Texas is sufficient to show that the transaction has been completed as agreed to by both parties and no customer deposits are at issue.

Commission Staff proposed a procedural schedule for further processing. Accordingly, the following procedural schedule is adopted:

Deadline for Commission Staff to submit revised maps and certificates to the parties for consent	November 11, 2015
Deadline for the parties to file completed and signed consent forms with the Commission	November 25, 2015
Deadline for Commission Staff to file a final recommendation on the application	December 9, 2015
If no disputed issues, deadline for all parties to file a request to admit evidence and a proposed notice of approval, including findings of fact, conclusions of law, and ordering paragraphs	December 16, 2015
