**SOAH ORDER NO. 3
GRANTING SECOND MOTION TO EXTEND DEADLINE**

Pursuant to SOAH Order No. 1 issued in this proceeding, the staff (Staff) of the Public Utility Commission of Texas (Commission) was to file a recommendation on final disposition, including a recommendation regarding whether this proceeding qualifies for administrative review pursuant to P.U.C. Proc. R. 22.32 or a proposed procedural schedule for further processing of this proceeding, including a proposed date for a hearing on the merits.

On January 6, 2015, on Staff's agreed motion stating that the parties were conferring on an appropriate resolution, the Administrative Law Judge (ALJ) issued SOAH Order No. 2 extending the deadline to file either a recommendation on final disposition or a proposed procedural schedule to January 20, 2015. On January 20, 2015, Staff filed another agreed motion seeking a further extension of the deadline to file either a recommendation on final disposition or a proposed procedural schedule, again informing the ALJ that the parties were making progress toward an agreed resolution.

The ALJ finds good cause to **GRANT** the motion. Staff's deadline to file a recommendation on final disposition of this proceeding or a proposed procedural schedule is hereby **EXTENDED** to February 10, 2015. If Staff does file a recommendation that the proceeding qualifies for administrative review on or before February 10, 2015, the parties shall file a proposed order, including proposed findings of fact and conclusions of law by no later than **March 2, 2015**.

SIGNED January 29, 2015.
