DOCKET NO. 42963

APPLICATION OF THE CITY OF
LYFORD FOR A SEWER
CERTIFICATE OF CONVENIENCE
AND NECESSITY IN WILLACY
COUNTY (33791-C)

PUBLIC UTILITY COMMISSION
OF TEXAS

CITY OF LYFORD'S REQUEST FOR APPROVAL

On January 10, 2017 PUC submitted final maps and consent forms to the City of Lyford (Applicant) and North Alamo Water Supply Corporation (NAWSC) for review and consent.

The Consent Form reflects both Docket No. 42962, Application of the City of Lyford for a Water Certificate of Convenience and Necessity (CCN) in Willacy County (33790-C) and Docket No. 42963, Application of the City of Lyford for a Sewer Certificate of Convenience and Necessity (CCN) in Willacy County (33791-C).

After the telephone conference with PUC, both the City of Lyford and NAWSC did not concur with Docket No. 42962 Water CCN, however, the Applicant does concur with Docket No. 42963. NAWSC does not have any sewer in that area, however, both Dockets were listed on the same Consent Form and the City could not consent to one and not the other.

Therefore, the City is requesting not to dismiss Docket No. 42963, Application for a Sewer Certificate of Convenience and Necessity (CCN) in Willacy County (33791-C).

I am authorized by the City of Lyford to sign this form.

Signed on this the 17th day of February, 2017.

CITY OF LYFORD

Tony Chavez, Mayor Pro-tem
