MEMORANDUM

TO: Cindy Cavazos
Water Quality Applications Team (MC 156)
Permits Administrative Review Section
Registration, Review & Reporting Division

FROM: Don R. Badeaux

SUBJECT: Application of City of Lyford
Registration Numbers: A1326(water) and A1237(sewer)
Administrative Review Number: A-239-1

MESSAGE:

Enclosed is the Re - Application for the City of Lyford.

Some of your questions, I believe do not pertain to this application. Please understand that the City of Lyford has been operating their utilities for approximately 30 years plus, of course they have added lines over the last 30 years and have extended outside their city limits over the past 10 to 15 years.

You have asked for financial information and if this is needed, will a last year financial statement satisfy your needs?

Any further information needed please do not hesitate to call or write me.
