Dear Ms. Blaschke,

Enclosed with this letter are the following documents, which are in compliance with the letter received by Ms. Michelle Abrams, dated November 7, 2005:

1. The original plus three (3) copies of the *Publisher's Affidavit* from the *Fannin County Special* as well as the tear sheet from October 11, 2005, and October 18, 2005, was provided to your office on November 9, 2005.
2. The City of Bonham does not seek to overlap any area currently certificated to Ravenna Nunnelee Water Supply Corporation. A map is being provided as an attachment to this letter which shows that facilities are not included in the area requested by Bonham.
3. The requested map is attached, as well as the additional service requests that have been received by the City.
4. The City was requested to provide notification to the Commission as to whether expansion and/or new water system and wastewater treatment facilities will be required to provide service to the requested area. The City will not need to expand its current facilities, nor will the City need to construct new systems in order to provide services to the requested area.

Re: *Application from the City of Valley View to Obtain a Sewer Certificate of Convenience and Necessity (CCN) in Cooke County; Application No. 35090-C*

CN: 600798342; RN: pending

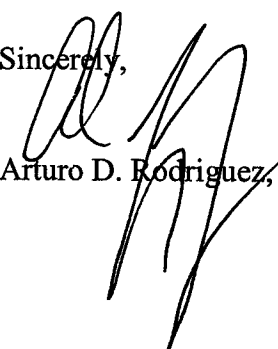

Dear Ms. Blaschke,

This letter is to serve as a response to the letter received from Michelle Abrams, dated November 1, 2005.

The City was requested to provide notification to the Commission as to whether expansion and/or new water system and wastewater treatment facilities will be required to provide service to the requested area. The City will not need to expand its current facilities, nor will the City need to construct new systems in order to provide services to the requested area.

Thank you very much for your attention to this matter.

Sincerely,

Arturo D. Rodriguez, Jr.

(CCN) No. 20062 in Fannin County; Application No. 35093-C

CN: 600485379; RN: 103098596

Dear Ms. Blaschke,

Enclosed with this letter are the following documents and responses, which are in compliance with the letter received by Ms. Michelle Abrams, dated November 1, 2005:

I will respond using the same numbers contained in her letter:

1. There will not be a need for expansion or creation of a new wastewater treatment plant in order to provide service to the requested area.
2. Additional requests for service are attached to this letter. A map will be provided when it is available.

Thank you very much for your attention to this matter.

Sincerely,

Arturo D. Rodriguez, Jr.
