JOINT MOTION TO AMEND APPLICATIONS AND WITHDRAW PROTESTS

TO THE HONORABLE ADMINISTRATIVE LAW JUDGE:

COMES NOW, the City of Bonham ("Bonham") and the Bois D'arc Municipal Utility District ("MUD") and files this Joint Motion to Amend Application and Withdraw Protest and in support thereof would show the following:

I. Factual Background

MUD and Bonham have filed competing certificate of convenience and necessity ("CCN") applications for portions of the same service territory. MUD's application is currently docketed as SOAH DOCKET NO. 582-05-3021. MUD and Bonham have executed settlement agreements that address their concerns with each other's CCN applications. The settlement agreements amend each entity's requested service territory and provide for a withdrawal of protest of each application.

II. Amendment of Application

Bonham hereby amends its requested water CCN service territory in the above-referenced docket. A copy of Bonham's amended requested water CCN service territory is attached hereto and incorporated herein for all purposes as Exhibit A. Exhibit A reflects a reduction in water service territory due to the settlement agreement Bonham executed with MUD. The area in brown identifies the area for which Bonham seeks single certification. The area in red indicates the area for which Bonham and MUD have agreed upon for dual-certification.

III. Withdrawal of Protest

By signature of counsel below, MUD hereby withdraws its protest of Bonham's CCN application, as amended above, and moves that MUD be dismissed as a party to this docket.

V. Prayer

For the above reasons, MUD and Bonham pray that Your Honor grant the withdrawal of protests and sever the dockets as requested above.

Respectfully submitted,
