## I. Background

from the State Office of Administrative Hearings (SOAH) to the Texas Commission on Environmental Quality (TCEQ) for final disposition; however, it does not appear that a final order was issued by the TCEQ. Commission Staff recommended that the application be processed for final disposition.

## II. Consolidation

Order No. 1 also requested Commission Staff identify any documents in Docket No. 42964 which may be related to TCEQ Application No. 35092-C (Docket No. 42965) so those documents could be relocated to Docket No. 42965. TCEQ Application Nos. 35091-C and 35092-C were processed in the same proceeding at TCEQ; therefore, Staff recommends that the dockets be consolidated and restyled, and that the final notice of approval address both applications.

Consistent with Commission Staff's recommendation, Docket No. 42965, *Application of the City of Bonham to Amend a Certificate of Convenience and Necessity in Fannin County (35092-C)*, is consolidated into Docket No. 42964. The consolidated proceeding is restyled as follows: *Applications of the City of Bonham to Amend a Certificate of Convenience and Necessity for Dual Certification with Southwest Fannin County Special Utility District and White Shed Water Supply Corporation and to Decertify Portions of the Certificated Area Held by Bois D'arc Municipal Utility Districts and Ravenna Nunnelee Water Supply Corporation in Fannin County (35091-C and 35092-C)*. Hereafter, filings shall be made in Docket No. 42964 only.
