**ORDER NO. 4  
REQUIRING APPLICANTS TO FILE STATUS REPORT**

On October 15, 2014, Order No. 3 in this proceeding was issued by the Public Utility Commission of Texas (Commission). Order No. 3 acknowledged that HMW Special Utility District and Quadvest, L.P. received approval to complete their proposed transaction from the Texas Commission on Environmental Quality (TCEQ) on April 17, 2014, and therefore that the parties have until April 17, 2015 to file documents evidencing the completion of the proposed transaction with the Commission. Additionally, Order No. 3 required the parties to file monthly reports on the status of the transaction beginning on December 1, 2014, and continuing until documents evidencing the completed transaction are filed with the Commission. As of this date, the parties have not filed a status update or documents evidencing the completed transaction.

Pursuant to P.U.C. SUBST. R. 24.112(e), TCEQ's approval to proceed with the transaction expires one year from April 17, 2014. Therefore, the applicants are reminded that they have until April 17, 2015, to file with the Commission documents evidencing completion of the proposed transaction, or the approval they received from TCEQ is void and they must reapply for approval of the sale. Further, on or before **February 18, 2015**, the Applicants shall file a status update on the transaction.

SIGNED AT AUSTIN, TEXAS on the 6<sup>th</sup> day of February 2015.
