**JOINT FIRST RESPONSE TO ORDER NO. 4 AND UNOPPOSED REQUEST FOR
EXTENSION OF DEADLINE**

COMES NOW Commission Staff (Staff) of the Public Utility Commission of Texas (Commission), Crystal Clear Water Supply Corporation, and the City of San Marcos (jointly, the parties) and files this Joint First Response to Order No. 4 and Unopposed Request for Extension of Deadline and would show the following:

On January 30, 2015, the Administrative Law Judge (ALJ) issued Order No. 4 requiring clarification of the applications and a recommendation on consolidation in Docket Nos. 42983 and 42984 by February 13, 2015. Staff is currently working with the parties to clarify the full scope of the applications, and additional time is needed to fully respond to Order No. 4. Therefore, Staff believes that good cause exists for the parties to request additional time to review the full applications before submitting clarifying comments on and a recommendation on consolidation of Docket Nos. 42983 and 42984. Therefore, Staff respectfully requests that the

ALJ extend the deadline for the parties to file information that clarifies the applications, a signed and dated copy of the agreement, and a recommendation on consolidation of the dockets until April 14, 2015. The parties have conferred and no party opposes this request.
