NOTICE OF DEFICIENCY

Re: Application from EMCAD Water and Wastewater, LLC, A2087, to Acquire Facilities and transfer Certificate of Convenience and Necessity (CCN) No. 20832 held by Grand Ranch Treatment Company, in Johnson County; Application No. 37724-S

CN: pending; RN: pending (EMCAD Water and Wastewater, LLC)
CN: 600627186; RN: 101179422 (Grand Ranch Treatment Company)

Dear Renbarger:

The above referenced application, received on September 13, 2013, has been assigned Application No. 37724-S, but has not been accepted for filing. Please refer to the application number in future correspondence.

In order for your application to be accepted for filing, please submit four (4) copies of the following items:

1. The most recent inspection report letter. For each system deficiency listed, if any, attach a brief explanation listing the actions taken or being taken to correct the listed deficiencies, including the proposed completion dates.
2. The neighboring utility list in your application is incomplete. The list should include all retail public utilities, counties, districts and groundwater conservation districts, and cities whose corporate limits and/or extra-territorial jurisdiction (ETJ) are within the same two mile area of the proposed CCN area.

Please make sure your list is complete. Incomplete lists will result in the return of your application.

Below are TCEQ links that will assist you in assembling the list:

<http://www.tceq.texas.gov/gis/iwudview.html>. Please note that the IWUD Viewer only provides information on entities with registered CCN numbers.

<http://www.tceq.texas.gov/groundwater/districts.html> for groundwater conservation districts.

These items must be completed and returned to our office by **November 7, 2013**. If we do not receive the requested information by this date, your application will be returned for failure to prosecute.

If you have any questions, please contact Ms. Christine Mester at 512/239-2788 or if by correspondence, include Mail Code 153 in the letterhead address.
