**ORDER NO. 4  
ESTABLISHING POST-TRANSACTION PROCEDURAL SCHEDULE**

On December 4, 2014, Public Utility Commission of Texas (Commission) Staff responded to Order No. 3, providing an update on the status of this application and proposing a procedural schedule. Commission Staff found that the parties to this proceeding confirmed completion of the transaction by filing the Bill of Sale and disposition of customer deposits on November 26, 2014. Commission Staff stated that they are currently in the process of preparing the maps and certificates for the parties' review and consent, and if both parties concur and sign the provided consent forms, Commission Staff will provide a recommendation that the transaction be approved and request that a final order be issued.

Consistent with the above representations by Commission Staff, the following procedural schedule for the remainder of this proceeding shall apply:

Deadline for parties to file completed and signed consent forms	15 working days from parties' receipt of revised maps and blank consent forms from Commission Staff
Deadline for Commission Staff to file final recommendation on the consolidated application	20 working days from receipt of completed and signed consent forms from parties
If no disputed issues, deadline for parties to file proposed notice of approval, including findings of fact conclusions of law, and ordering paragraphs	10 working days after the filing of Commission Staff's final recommendation on the consolidated application

SIGNED AT AUSTIN, TEXAS the 5<sup>th</sup> day of December 2014.
