I. BACKGROUND AND STATUS UPDATE

On December 23, 2013, Curtis D. Logan, dba L and T Waterworks, LLC (L&T) and WR Coffey dba Moody Land Company (Moody) filed an Application for Sale, Transfer, or Merger of a Retail Pubic Utility pursuant to TEX. WATER CODE ANN. §§ 13.254 and 13.301 and 30 TEX. ADMIN. CODE § 291.109¹ with the Texas Commission on Environmental Quality (TCEQ). The application addressed the proposed sale from Moody to L&T of their water utility system and transfer of service area Certificate of Convenience and Necessity (CCN) No. 12919 in Freestone County, Texas. The TCEQ accepted the application for filing on May 5, 2014. Sufficient notice was provided to all affected and interested parties by May 14, 2014. The end of the comment period for protests was June 14, 2014; no protests were received. Therefore no public hearing was required.

By letter dated July 10, 2014, the TCEQ administratively approved the sale from Moody to L&T and instructed the parties to proceed with the signed contract or bill of sale and to provide documents supporting the disposition of customer deposits with closing documents in order to fulfill the second part of the application, which would transfer CCN No. 12919 to L&T.

On July 24, 2014, the parties provided the TCEQ the signed contract and transfer serving as bill of sale and information regarding the disposition of customer deposits, in accordance with
