**ORDER NO. 5
ESTABLISHING POST-TRANSACTION SCHEDULE**

On October 30, 2014, Public Utility Commission of Texas (Commission) Staff responded to Order No. 4, providing an update on the status of this application and proposing a procedural schedule. Commission Staff stated that the Texas Commission on Environmental Quality administratively approved the proposed transaction, and directed the parties to provide documents evidencing completion of the transaction and supporting the disposition of customer deposits.

Commission Staff stated the transaction has been completed and proper documentation confirming this transaction has been filed with the Commission, including related customer deposit information. Commission Staff stated that it is currently working on mapping information to reflect this transaction.

The following procedural schedule for the remainder of this proceeding is adopted:

Deadline for parties to file completed and signed consent forms with the Commission	15 days from the date Commission Staff issues revised maps and blank consent form
Deadline for Commission Staff to file recommendation on final disposition of the application	20 working days from receipt of completed and signed consent forms from parties
If no disputed issues, deadline for parties to file proposed notice of approval with findings of fact, conclusions of law, and ordering paragraphs	10 working days after Commission Staff's recommendation on final disposition of the application

SIGNED AT AUSTIN, TEXAS on the 31st day of October 2014.
