Dear Mr. Donnan:

Your application from the City of East Tawakoni has been accepted for filing and assigned Application No. 37869-C. Mr. Ahmad Tavakoly has been assigned to perform the technical review.

Your next step is to provide the **revised** public notices without delay. The notice to the public must be published once each week for two (2) consecutive weeks in a newspaper of general circulation in Hunt and Rains counties. **It is the responsibility of the applicant to provide correct notice** of the application to:

- any city with an extraterritorial jurisdiction which overlaps the proposed service area or other affected parties in your requested area, and
- all landowners with more than 25 acres in your proposed CCN. The landowner information may be obtained from the county appraisal district tax rolls for the county or counties in which the proposed CCN lies.

Check the notices carefully before mailing or publishing.

Information related to utilities and districts including addresses can be obtained from the TCEQ web site located at www10.tceq.tx.us/iwud/.

As proof that notice was provided, you are required to send us the following:

These items must be completed and returned to our office by **July 7, 2014**. Processing of this application cannot proceed until the close of the 30 day public comment period which begins after all the required notices have been given.
