FILING CLERK

**TO:** Tammy Benter  
Water Utility Regulation

**FROM:** Irene Montelongo  
Docket Management

**DATE:** October 29, 2014

**RE:** Project No. 43036

After reviewing the filing titled "Registration of Submetered or Allocated Utility Service" in the above-referenced Project and the rule governing its submission, P.U.C. SUBST. R. 24.122, we have determined that a notice of approval is not required. It is sufficient for the property owner to be notified of the registration assigned through a letter issued by the Water Utility Regulation Division.
