**ORDER NO. 7  
FINDING APPLICATION CONTINUES TO BE  
DEFICIENT AND REQUIRING FILING**

On July 2, 2015, Public Utility Commission of Texas (Commission) Staff filed an update regarding this proceeding. Specifically, Commission Staff stated that although the City of Dorchester's May 12, 2015, filing did cure some of the previously-noted deficiencies, digital data and mapping deficiencies remain. Commission Staff recommended the City of Dorchester be afforded additional time to cure the remaining deficiencies and file the supplemental materials needed in accordance with Commission rules, or face dismissal of this docket. Commission Staff included instructions for the City of Dorchester to follow in order to improve its next filing and encourages the City of Dorchester to contact Commission Staff with any questions.

Consistent with Commission Staff's recommendation, the City of Dorchester shall file, not later than **July 17, 2015**, the supplemental information described by Commission Staff in order to cure the remaining deficiencies. Absent a filing by the City of Dorchester, the application may be dismissed without prejudice to refile same.

SIGNED AT AUSTIN, TEXAS the 7<sup>th</sup> day of July 2015.
