**ORDER NO. 13  
ESTABLISHING UPDATED PROCEDURAL SCHEDULE**

On May 5, 2014, City of Dorchester (Dorchester) filed with the Texas Commission on Environmental Quality an application to amend a certificate of convenience and necessity in Grayson County. The application was received by the Public Utility Commission of Texas (Commission) on September 18, 2014. On November 18, 2015, the application as amended, was deemed administratively complete.

On February 19, 2016, Commission Staff proposed an updated procedural schedule for purposes of allowing Dorchester to provide notice and file proof of such notice as required by Order No. 12. Commission Staff stated that Dorchester's representative informed Commission Staff that Dorchester had not received Order Nos. 11 or 12 due to mailing problems; therefore, provision of notice and affidavits evidencing proof of notice were not filed by the January 22, 2016 deadline. Commission Staff proposed an updated procedural schedule for such purposes. Accordingly, the following updated procedural schedule is adopted:

Deadline for Dorchester to file proof of notice, include affidavits, sample notice, and map	March 4, 2016
Deadline for Commission Staff to file a final recommendation and/or an additional procedural schedule	April 4, 2016

SIGNED AT AUSTIN, TEXAS the 19<sup>th</sup> day of February 2016.
