PUBLIC UTILITY COMMISSION
FILING CLERK

RESPONSE TO ORDER NO. 13

Order No. 13 in the above matter adopts the Proposed Procedural Schedule filed by Commission Staff on February 19, 2016. The Commission Staff's filing, however, fails to note that the undersigned previously advised Staff that the notice form provided by Staff under Section 24.106(b) of the Commission's rules contained several errors, and on January 13, 2016, the undersigned forwarded the necessary corrections to Staff. To date, a corrected notice form has not been provided, and that is the reason proof of notice has not yet been filed. The undersigned discussed this issue with Staff on February 18, 2016 and again sent Staff the corrections to the notice form. As the corrected notice form still has not been provided, it will be impossible to publish and mail the notice and provide proof by March 4, 2016.

We respectfully request that the procedural schedule be held in abeyance and that a revised procedural schedule be established once the corrected notice form has been provided.

Respectfully submitted,

COATS ROSE, P.C.
