**ORDER NO. 5
FINDING PROOF OF NOTICE DEFICIENT AND SETTING DEADLINES**

On February 20, 2015, Public Utility Commission of Texas (Commission) Staff responded to Order No. 4 regarding the above-styled and numbered proceeding.

Commission Staff determined, following a review of Inline Development LLC's (Inline's) proof of notice that the list of individuals that were provided notice was not included in the proof of notice. Commission Staff recommended that Inline be afforded an additional 30 days to supplement its proof of notice with the list of individuals that were provided notice.

Commission Staff also recommended, following receipt of Inline's supplemental proof of notice they be given 15 days to file a recommendation whether Inline's proof of notice is sufficient and/or propose a procedural schedule for the remainder of this proceeding.

For the reasons presented in Commission Staff's recommendation, Inline's proof of notice is deficient and incomplete. Inline shall file on or before **March 25, 2015**, a supplement to the proof of notice by providing the list of individuals that was given notice of this proceeding. On or before **April 9, 2015**, Commission Staff shall file a recommendation whether Inline's notice is sufficient and complete and/or propose a procedural for processing the remainder of this docket.

SIGNED AT AUSTIN, TEXAS the 23rd day of February 2015.
