JOINT MOTION TO ABATE PROCEDURAL SCHEDULE

COMES NOW the Staff of the Public Utility Commission of Texas (Staff), representing the public interest, and files this Joint Motion to abate Procedural Schedule, and would show the following:

I. BACKGROUND

On August 28, 2014, Inline Development LLC (Inline) filed an Application for Water and Sewer Rate/Tariff Change (Application) for water Certificate of Convenience and Necessity (CCN) No. 12946 and sewer CCN No. 20879 in Harris County. On August 17, 2015, Order No. 11 was issued, which extended the procedural schedule, and set a deadline of September 4, 2015 for Inline to provide additional information for its application and September 25, 2015 as the deadline for Staff to file a recommendation or to request a hearing.

II. RECOMMENDATION

On August 21, 2015, Inline and Staff discussed the additional information that is needed for Staff to review Inline's application. The parties agreed that it will require more time to determine what information needs to be provided to supplement the application and how the information will be obtained. The parties request that the procedural schedule be abated until November 2, 2015. At that time, the parties will file a status report or a procedural schedule for proceeding with the application. Staff is authorized to represent that Inline joins this motion.
