**ORDER NO. 12
GRANTING JOINT MOTION TO ABATE AND REQUIRING FILING**

On August 26, 2015, Public Utility Commission of Texas (Commission) Staff filed, with Inline Development LLC's (Inline's) agreement, a joint motion to abate the procedural schedule established by Order No. 11. Specifically, Commission Staff stated that the parties have discussed the additional information that is needed for review of Inline's application and that they agree more time will be required to determine what information should be provided in order to supplement the application and how the information will be obtained. For these reasons, the parties request that the procedural schedule be abated until November 2, 2015, at which time the parties will file a status report or a procedural schedule for proceeding with the application.

Consistent with the foregoing, Commission Staff's joint motion is granted. The procedural schedule established by Order No. 11 is abated until **November 2, 2015**. On that date, the parties will file (1) a status report; or (2) a request that the procedural schedule be unabated and propose a procedural schedule for further processing.

SIGNED AT AUSTIN, TEXAS the 31st day of August 2015.
