**ORDER NO. 13
CONTINUING ABATEMENT AND REQUIRING FILING**

On October 26, 2015, Inline Development LLC (Inline) filed a motion to modify the procedural schedule established by Order No. 12, including continued abatement of this docket. Specifically, Inline stated, due to unanticipated circumstances, additional time is needed to provide the supplemental information required by Public Utility Commission of Texas (Commission) Staff in order to complete its review of the application. Inline represented that Commission Staff does not oppose the motion.

Consistent with the foregoing, Inline's motion to modify the procedural schedule is granted. The procedural schedule continues to be abated until **December 2, 2015**. On that date, the parties will jointly file a status report or a proposed procedural schedule for further processing.

SIGNED AT AUSTIN, TEXAS the 28th day of October 2015.
