PUBLIC UTILITY COMMISSION 16

2016 SEP 16
OF TEXAS UTILITY COMMISSION
FILING CLERK

**ORDER NO. 15
REQUESTING CLARIFICATION**

On August 22, 2016, Commission Staff filed a recommendation on final disposition and provided maps, certificates, and tariffs for purchaser and seller. Purchaser Utilities Investment Company, Inc. requested new certificates for the systems and area acquired from seller J&S Water Company, LLC. Seller holds certificates 12085 and 20658 and purchaser holds certificates 12671 and 20765.

The maps provided with the August 22 filing reflect certificate numbers 13242 and 21091 for purchaser; however the actual certificates for purchaser still reflect certificate numbers 12671 and 20765. The water tariff provided for purchaser reflects only certificate number 12671 and the sewer tariff for purchaser reflects only certificate number 20765.

Commission Staff is requested to clarify on or before **September 15, 2016**, whether Utilities Investment is to receive new numbers. If new numbers are in order for Utilities Investment, certificates reflecting these new numbers and corrected tariff pages should be provided.

SIGNED AT AUSTIN, TEXAS the 1st day of September 2016.
