**ORDER NO. 6
DEEMING CLOSING DOCUMENTS DEFICIENT; AND
REVISING PROCEDURAL SCHEDULE**

On November 5, 2015, Public Utility Commission of Texas (Commission) Staff filed recommendations regarding the sufficiency of the closing documentation filed by Highland Utilities, Inc. d/b/a Highland Utilities (Highland) and Wilderness Cove Water Company, LLC (Wilderness Cove) (collectively, Applicants). Specifically, Commission Staff concluded the documentation was not sufficient for the following reasons:

1. Applicants represent that the transaction closed on October 30, 2015, yet the "affidavit of closing" is dated October 22, 2015; and
2. The statement regarding customer deposits is not made under oath.

Based upon the preceding, the closing documentation is deemed deficient.

Commission Staff recommended a procedural schedule to afford Applicants additional time to resubmit closing documentation and for Commission Staff to make a final recommendation regarding this docket. Accordingly, the following revised procedural schedule shall apply:

Deadline for Applicants to refile closing documents evidencing that all assets have been transferred from Highland to Wilderness Cove and that the disposition of any remaining deposits have been addressed	November 25, 2015
Deadline for Commission Staff to make a final recommendation on the closing documents and propose a supplemental procedural schedule	December 2, 2015
