FILING CLERK

**ORDER NO. 3
ESTABLISHING PROCEDURAL SCHEDULE**

On December 30, 2014, Commission Staff filed comments stating the City of Royse City (Royse City) filed an affidavit attesting to the provision of published and direct mail notice with the Public Utility Commission of Texas (PUC) on December 2, 2014. Commission Staff also stated that on December 29, 2014, Royse City filed revisions to its application indicating real property owners Steve Woody and Gerald Gray requested to opt of Royse City's service area; Michael Gray and Theresa Gray requested a public hearing; and Melvin Johnson was not in favor of Royse City's application, and all are now excluded from Royse City's service area. Commission Staff requested additional time to confer with the landowners in order to determine whether the revisions to the application addresses the landowners' concerns; and for any landowners satisfied with Royse City's revisions to its application be given time to withdraw their protests or requests for hearing. Commission Staff proposed a procedural schedule to permit the efficient processing of the application.

The following procedural schedule is approved:

Deadline for Royse City's status update regarding excluded landowners	February 2, 2015
Deadline for landowners' withdrawal of protests or requests for hearing	February 9, 2015
Deadline for a request for hearing, or Commission Staff's recommendation on final disposition	March 13, 2015
Deadline for to file a joint proposed notice of approval, including findings of facts, conclusions of law and ordering paragraphs	April 3, 2015

SIGNED AT AUSTIN, TEXAS the 7th day of January 2015.
