JOINT MOTION TO ADMIT EVIDENCE

Commission Staff (Staff) of the Public Utility Commission of Texas (Commission) and the City of Royse City (Royse City) file this Joint Motion to Admit Evidence. Staff and Royse City request that certain evidence be admitted into the record in support of their filed Proposed Notice of Approval. In support of their Joint Motion to Admit Evidence, Staff and Royse City state the following:

I. Background

On June 18, 2014, Royse City filed an application with the Texas Commission of Environmental Quality (TCEQ). In its application, Royse City requested an amendment to its sewer certificate of convenience and necessity (CCN No. 20813). Royse City's service area is located in Collin, Hunt, and Rockwall Counties.

Effective September 1, 2014, the Commission began the economic regulation of water and sewer utilities. Royse City's application, which was being processed at the TCEQ, was transferred to the Commission for processing.

On March 27, 2015, Staff filed its Recommendation on Final Disposition. Staff recommended that the Commission approve Royse City's application and the amendment of Royse City's sewer CCN No. 20813. Additionally, Staff recommended that the Commission find that: (1) Royse City has the financial, managerial, and technical capability to provide continuous and adequate service to its service area located in Collin, Hunt, and Rockwall Counties and (2) amending Royse City's sewer CCN No. 20813 is necessary for the service, accommodation, convenience, or safety of the public.

On April 3, 2015, Staff and Royse City filed their Proposed Notice of Approval.

II. Joint Motion to Admit Evidence

Staff and Royse City request that the following evidence be admitted as evidence in the record:
