

If no settlement is reached and an evidentiary hearing is held, the SOAH will submit a recommendation to the Commission for final decision. If an evidentiary hearing is held, it will be a legal proceeding similar to a civil trial in state district court.

If you are a landowner with a tract of land at least 25 acres or more, that is partially or wholly located within the proposed area, you may request to exclude the tract from the proposed area (or "opt out") by providing written notice to the Commission within (30) days from the date that notice was provided by the applicant. All request to opt out of the requested service area must include a scaled, general location map and a metes and bounds description of the tract of land.

Persons who meet the requirements to opt out, and wish to request this option should file the required documents with the:

Texas Commission on Environmental Quality
Water Supply Division
Utilities and Districts Section, MC-153
P. O. Box 13087
Austin, TX 78711-3087

A copy of the request to opt out of the proposed area must also be sent to the applicant. Staff may request additional information regarding your request.

(City State Zip)

The City of Pflugerville has filed an application to amend CCN No. 20678 with the Texas Commission on Environmental Quality to provide sewer utility service in Travis and Williamson counties.

The proposed utility service area is located approximately 12 miles east of downtown Pflugerville, Texas, and is **generally** bounded on the north by CR 138; on the east by Wells Lane; on the south by Gregg Lane; and on the west by IH35.

The total area being requested includes approximately 38,102 acres and 47,230 current customers. The proposed application affects customers and/or areas located in the following zip codes: 78660, 78653, 78621, 76514, 78634.

See enclosed map of the proposed service area.

A request for a public hearing must be in writing. You must state (1) your name, mailing address, and daytime telephone number; (2) the applicant's name, application number or another recognizable reference to this application; (3) the statement, "I/we request a public hearing"; (4) a brief description of how you or the persons you represent, would be adversely affected by the granting of the application for a CCN; and (5) your proposed adjustment to the application or CCN which would satisfy your concerns and cause you to withdraw your request for a hearing.

Persons who wish to intervene or comment should write the:

Texas Commission on Environmental Quality
Water Supply Division
Utilities and Districts Section, MC-153
P. O. Box 13087
Austin, TX 78711-3087

within thirty (30) days from the date of this publication or notice. A public hearing will be held only if a legally sufficient hearing request is received or if the Commission on its own motion requests a hearing. Only those individuals who submit a written hearing request or a written request to be notified if a hearing is set will receive notice if a hearing is scheduled.

If a public hearing is requested, the Executive Director will not issue the CCN and will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing.

If no settlement is reached and an evidentiary hearing is held, the SOAH will submit a recommendation to the Commission for final decision. If an evidentiary hearing is held, it will be a legal proceeding similar to a civil trial in state district court.

within thirty (30) days from the date of this publication or notice. A public hearing will be held only if a legally sufficient hearing request is received or if the Commission on its own motion requests a hearing. Only those individuals who submit a written hearing request or a written request to be notified if a hearing is set will receive notice if a hearing is scheduled.

If a public hearing is requested, the Executive Director will not issue the CCN and will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing.

If no settlement is reached and an evidentiary hearing is held, the SOAH will submit a recommendation to the Commission for final decision. If an evidentiary hearing is held, it will be a legal proceeding similar to a civil trial in state district court.

If you are a landowner with a tract of land at least 25 acres or more, that is partially or wholly located within the proposed area, you may request to exclude the tract from the proposed area (or "opt out") by providing written notice to the Commission within (30) days from the date that notice was provided by the applicant. All request to opt out of the requested service area must include a scaled, general location map and a metes and bounds description of the tract of land.

Persons who meet the requirements to opt out, and wish to request this option should file the required documents with the:

Texas Commission on Environmental Quality
Water Supply Division
Utilities and Districts Section, MC-153
P. O. Box 13087
Austin, TX 78711-3087

A copy of the request to opt out of the proposed area must also be sent to the applicant. Staff may request additional information regarding your request.

Subject: Opt Out of the City of Pflugerville Wastewater Certificate of Convenience
and Necessity (CCN) Request

Dear Ms. Neyens,

The City of Pflugerville received your opt-out request from the Texas Commission on Environmental Quality (TCEQ). Upon receipt of the request, City staff reviewed your property location and determined it is not within the City's requested CCN boundary.

Per TCEQ rules, the City is required to provide notification to all parties owning 25 acres or more within a 2 mile radius outside the requested CCN boundary. Your property is located within that 2 mile radius and is not a part of the City's request.

Thank you for taking the time to provide input and please let me know if I can be of any further assistance.

Sincerely,
