Water Supply Division
Utilities and Districts Section, MC-153
P.O. Box 13087
Austin, TX 78711-3087

To Whom It May Concern:

We are responding to Application No. 37835-C, regarding the proposed utility service that would be provided by the City of Pflugerville. We are eligible to opt out due to the acreage of our tract of land. However, before we determine whether or not we will be opting out we have a few questions.

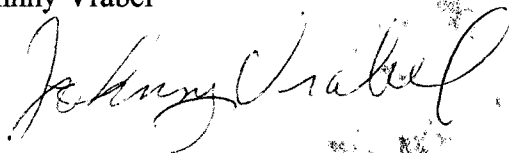

The following are the questions we would like answered:

- What would be the proposed rates and rate structure associated with this water utility?
- Are there up front tap or connection fees?
- Is it going to be set up as a MUD?
- Would we be able to opt in at a later date if we decide to opt out at this time?

We will be waiting for a response answering the above questions before making any further decisions.

Thank you,

Johnny Vrabel
