**ORDER NO. 4
ESTABLISHING DEADLINE**

On October 19, 2015, Order No. 3 was issued in this proceeding, clarifying that this application should proceed under Tex. Water Code § 13.248 (TWC), not TWC § 13.301. Additionally, Order No. 3 required Public Utility Commission of Texas (Commission) Staff to file a recommendation on final disposition or propose additional procedural schedule 20 days after issuance of a notice in Docket Nos. 42928 and 44030, pending applications under TWC § 13.248. A notice of approval was issued in Docket No. 42928 on October 16, 2015. A notice of approval was issued in Docket No. 44030 on October 19, 2015.

On December 2, 2015, Commission Staff responded to Order No. 3, acknowledging the notices issued in Docket Nos. 42928 and 44030 and stating that no motions for rehearing had been filed in those dockets. Commission Staff stated that it is reviewing the proposed notice provided in this application to determine whether it comports with those dockets, or whether notice should be waived. Accordingly, Commission Staff proposed additional time to file a recommendation or additional procedural schedule.

Consistent with Commission Staff's request, on or before **December 18, 2015**, Commission Staff shall file a recommendation on final disposition in this application and/or additional procedural schedule, as appropriate.

SIGNED AT AUSTIN, TEXAS the 8th day of December 2015.
