ORDER NO. 5

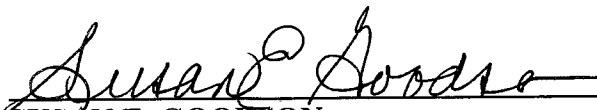

ESTABLISHING PROPOSED ADDITIONAL PROCEDURAL SCHEDULE

On December 8, 2015, Order No. 4 was issued, with allowed Public Utility Commission of Texas (Commission) Staff additional time to file a recommendation on final disposition or propose an additional procedural schedule by December 18, 2015. On December 18, 2015, Commission Staff responded to Order No. 4, proposing additional time for its recommendation, comments on notice, and additional procedural schedule, if necessary. Commission Staff stated that due to the age of this case and its involvement in the transfer, it has been difficult to locate some of the pertinent documents in this application. For this reason, Commission Staff recently requested mapping information from the Applicant that it still has on file and that is necessary for this application. The applicants provided the requested information and Commission Staff is now reviewing that information.

Consistent with Commission Staff's request, on or before **January 31, 2016**, Commission Staff shall file a recommendation, comments on notice and additional procedural schedule, if necessary.

SIGNED AT AUSTIN, TEXAS on the 22nd day of December 2015.
