Dear Mayor Whately:

On February 26, 2008, Mr. Imran Khawaja of the Texas Commission on Environmental Quality (TCEQ), D/FW Region Office conducted an investigation of the above-referenced facility to evaluate compliance with applicable requirements for public water supply systems. No violations were documented during the investigation. At this time, your public water supply continues to merit recognition as a "Superior" system.

The TCEQ appreciates your assistance in this matter and your compliance efforts to ensure protection of the State's environment. If you or members of your staff have any questions regarding these matters, please feel free to contact Mr. Imran Khawaja in the D/FW Region Office at (817)588-5806.

Sincerely,
