PUBLIC UTILITY COMMISSION
FILING CLERK
OF TEXAS

REQUEST BY EDE AND RANDY §
BULLOCK FOR DETERMINATION OF §
RCH WATER SUPPLY §
CORPORATION'S COMPLIANCE §
WITH TEXAS WATER CODE § 13.004 §
(37766-I) §

**ORDER NO. 1
REQUIRING RESPONSES**

On October 14, 2013, Ede and Randy Bullock (Bullocks) filed a request with the Texas Commission on Environmental Quality (TCEQ) to investigate RCH Water Supply Corporation (RCH) pursuant to Tex. Water Code § 13.004 (TWC). On November 26, 2013, TCEQ notified the Bullocks that their request had been accepted for filing. On December 6, 2013, RCH responded to a November 12, 2013 letter from TCEQ requesting a copy of RCH's tariff and a response to the allegations made in the letter. RCH informed TCEQ that it did not have a copy of its tariff and advised TCEQ that it would not be responding to the letter because the letter was factually deficient and RCH could not determine what allegations were made.

On September 1, 2014 the Public Utility Commission of Texas (Commission) began the economic regulation of water and sewer utilities and this case was transferred from the TCEQ for further review. This case was filed with the Commission on September 15, 2014.

On March 20, 2015, the Bullocks filed additional details regarding their request to investigate RCH. Specifically, the Bullocks allege various violations of the TWC and seek to resolve an underlying billing issue.

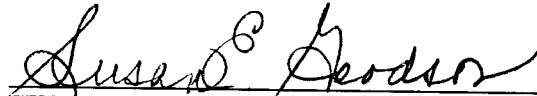

On April 1, 2015, Commission Staff stated, among other things, that the Bullocks filed this proceeding under TWC § 13.004 and 16 Tex. Admin. Code § 24.35, which provides the Commission jurisdiction over water supply corporations under certain conditions.

On or before **September 24, 2015**, RCH shall file a response to Bullocks' request.

On or before **October 1, 2015**, Commission Staff shall file a response and a proposed procedural schedule, if appropriate.

SIGNED AT AUSTIN, TEXAS on the 4th day of September 2015.
