APPLICATION OF PEACH CREEK § BEFORE THE STATE OFFICE
DAM AND LAKE CLUB WATER §
SYSTEM AND CITY OF PATTON §
VILLAGE FOR SALE, TRANSFER, OR § OF
MERGER OF FACILITIES AND §
CERTIFICATE OF CONVENIENCE §
AND NECESSITY IN MONTGOMERY §
COUNTY, TEXAS (37915-S) § ADMINISTRATIVE HEARINGS

**CITY OF PATTON VILLAGE'S
STATUS REPORT: JUNE 26, 2015**

COMES NOW, the City of Patton Village ("City"), by and through its attorney of record, and, in accordance with this Court's Order No. 3 Granting Motion to Continue Abatement, files this its Status Report of June 26, 2015, and would show the following:

At issue in this proceeding is demonstration by the City of adequate financial and managerial capabilities for the provision of continuous and adequate service of the Peach Creek Dam and Lake Club Water System upon acquisition by the City. In abating this proceeding, this Court instructed the City to provide updates on its financial situation. The City submits this its June 26, 2015 status report.

To recap, on February 24, 2015, the City applied for a Community Development Block Grant ("CDBG") in the amount of \$350,000 from the Texas Department of Agriculture ("TDA"). The City's application has been reviewed and scored by the TDA and the Houston-Galveston Area Council of Governments ("H-GAC"). A preliminary report was issued by the H-GAC on June 1, 2015. The report listing the scoring of the applications submitted showed Patton Village ranked in a three-way tie for first. See Attachment A: "Houston-Galveston Area Council (H-GAC) - 2015-2016 CD Fund" and available at

<http://www.texasagriculture.gov/Portals/0/Publications/RED/CDBG/RRC%20Score%20Sheet%202015-2016%20-%20HIGAC.pdf> The CDBG Awards will be determined and announced later this summer.

It bears repeating that the funding cannot arrive none too soon for the Peach Creek and Lake Club Water System. The funds are essential to pay for repairs including trunk line, tank renovations and other items. The City has been diligent, without hesitation and at its own expense, in pursuing this funding to avoid the disastrous consequence of shutting down the system which if shut down leaves its residents without essential water service. The City is optimistic and hopes to provide a positive report in its next status update.

DATE: June 26, 2015
