SOAH ORDER NO. 4
REQUESTING ADDITIONAL INFORMATION AND MOTION TO DISMISS/REMAND

On September 30, 2015, City of Patton Village (Patton Village) filed a status report. Patton Village represents that the Texas Department of Agriculture has awarded it a \$350,000 grant for water system improvements. Now that Patton Village can improve its water system, Patton Village shall confer and attempt to reach a settlement with all parties, including Commission Staff. If a settlement is reached, the Administrative Law Judge will dismiss this case from the State Office of Administrative Hearings and remand it to the Public Utility Commission of Texas to process administratively. Accordingly, the parties shall confer and determine the best approach to proceeding with this case, given Patton Village's status report. Patton Village, therefore, shall file another status report no later than November 13, 2015. If the parties settle all matters, then a motion to dismiss shall be filed.

SIGNED October 1, 2015.
