**RESPONSE TO SOAH ORDER NO. 5
JOINT STATUS UPDATE**

COMES NOW the Staff of the Public Utility Commission of Texas (Staff), representing the public interest, and files this Joint Status Update.

SOAH Order No. 5 required a status update on the above captioned matter by January 15, 2016. Staff and the City of Patton Village (Patton Village) are currently scheduling a conference call to be held in the coming days to help Staff determine whether the funding received by Patton Village will remedy all problems noted by the Texas Commission on Environmental Quality. If the parties are able to reach a settlement, they will file a settlement package with the SOAH Administrative Law Judge. If the parties have not reached a full settlement by February 26, 2016, Staff proposes to file an additional status update.

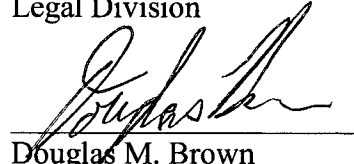

Staff conferred with the representative of Patton Village regarding this status update, and she does not object.
