STATUS REPORT

COMES NOW the Staff of the Public Utility Commission of Texas (Staff), representing the public interest, and files this Status Report, and would show the following:

I. BACKGROUND

On April 21, 2016, SOAH Order No. 3 was issued, granting the Joint Motion to Temporarily Abate Discovery and Hearing Schedule, filed by Avalon Water Supply and Sewer Service Corporation (Avalon) and Carol D. Gillespie. Order No. 3 abated the discovery and hearing schedule until a date to be determined and required the parties to submit a status report by May 20, 2016. Accordingly, this status report is timely filed.

II. STATUS REPORT

The parties are continuing their negotiations to reach a settlement on all issues in this proceeding and request that the discovery and hearing schedule continue to be abated until June 3, 2016. If the parties do not reach a settlement by June 3, 2016, Staff proposes that the parties file a revised procedural schedule to resume the procedural schedule for this proceeding. Staff is authorized to represent that Avalon and Ms. Gillespie join in this motion.
