**ORDER NO. 36  
FINDING SUPPLEMENTAL DATA SUFFICIENT AND  
REAFFIRMING PROCEDURAL SCHEDULE WITH EXCEPTION**

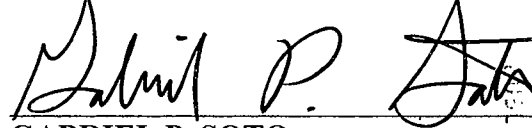

This Order addresses the supplemental mapping data filed by the City of Caddo Mills on November 12, 2018.

On November 16, 2018, Commission Staff recommended that the administrative law judge (ALJ) find the supplemental mapping data sufficient. Specifically, Caddo Mills filed the revised maps and digital data, which revised the requested area to include approximately 6,186 total acres, removed the additionally requested and unnoticed areas, and removed the district boundary overlap with Caddo Basin Special Utility District. Commission Staff recommended that the administrative law judge (ALJ) find that the supplemental mapping data is sufficient and that the application may proceed without any additional notice to affected parties.

Accordingly, the ALJ finds the supplemental mapping data sufficient and reaffirms the procedural schedule established in Order No. 35, except Commission Staff's deadline to provide final maps, certificates, and tariffs (if applicable) to Caddo Mills for review and consent is revised to December 17, 2018.

Signed at Austin, Texas the 19<sup>TH</sup> day of November 2018.
