PUBLIC UTILITY COMMISSION
FILING CLERK

OF

TEXAS

STATUS REPORT

TO THE HONORABLE CASEY A. BELL:

COMES NOW the Staff (Staff) of the Public Utility Commission of Texas (Commission), representing the public interest and files this Status Report. In support thereof, Staff shows the following:

A prehearing conference was convened on the above referenced matter at the State Office of Administrative Hearings (SOAH) in Austin, Texas on February 13, 2015. The parties reached a tentative settlement at the prehearing conference.

The parties were very near filing a settlement package, but due to tragic circumstances, the Applicant is no longer represented by the attorney Staff had been working with. The case has now been reassigned, and the parties are working quickly to conclude this matter. The Applicants filed consent forms to the proposed maps and CCN certificates on May 22, 2017. Staff anticipates sending settlement documents to the parties for final signature within the next week. Therefore, Staff respectfully requests that it be allowed to file a supplemental status report or proposed settlement package by on June 24, 2017.

Respectfully Submitted,

PUBLIC UTILITY COMMISSION
