ORDER NO. 5  
GRANTING APPLICANT'S REQUEST FOR EXTENSION OF TIME

On January 7, 2014, Tri-County Special Utilities District (Tri-County) filed an application to amend a Water Certificate of Convenience and Necessity in McLennan, Falls, Limestone, and Robertson Counties, Texas.

On December 16, 2014, Public Utility Commission of Texas (Commission) Staff filed comments stating the mapping requirements for this application had not been met; therefore, the application was insufficient for filing. Commission Staff recommended the Applicant be given 30 days to cure the mapping deficiencies. The Applicant was given until January 20, 2015 and then additional time was added until March 4, 2015 to cure the deficiencies.

On March 5, 2015, Tri-County filed a response to Orders No. 3 and 4 requesting an extension of time to supplement the application. The Applicant stated that hard copy maps would be filed by March 15, 2015 and supplemental documents or a progress report would be filed by April 15, 2015.

Tri-County's request for extension of time to file hard copy maps by March 15, 2015 is granted. Tri-County's request to file supplemental documents or a progress report no later than April 15, 2015 is also granted.

SIGNED AT AUSTIN, TEXAS on the 6th day of March 2015.
