NOTICE OF DEFICIENCY

Re: Application from Orbit Systems, Inc., to Amend Certificate of Convenience and Necessity (CCN) No. 11982 in Brazoria County; Application No. 37755-C
CN: 600678379; RN: 101249282

Dear Ms. Paul:

On November 20, 2013, the Commission issued a letter accepting the above referenced application. In the letter, you were required to send us the following by December 20, 2013:

- a) an original and three copies of a publisher's affidavit of the newspaper publication with tear sheets of the published notice attached;
- b) four copies of each individual notice and map sent to neighboring utilities and affected parties;
- c) one copy of the landowner notice and map sent to **each landowner**; and
- d) an original and three copies of the signed affidavits that individual notice to neighboring utilities, affected individuals **and each landowner** has been given.

On November 26, 2013, you spoke with Ms. Leila Guerrero on the telephone and requested an extension until January 6, 2014, to submit the required notices and affidavits. To date, we have not received the required information.

Please provide the above mentioned documentation by **March 19, 2014**. Failure to provide the requested information may result in the return of your application for failure to prosecute.

RE: Application from Orbit Systems, Inc. to Amend Certificate of Convenience and Necessity (CCN) No. 11982 in Brazoria County; Application 37755-C; CN: 600678379; RN: 101249282

Dear Ms. Guerrero:

Public notice for application to amend Certificate of Convenience and Necessity (CCN) No. 11982 in Brazoria County has been provided to neighboring utilities and affected parties, and landowners. Notice to the public was published once each week for two consecutive weeks in The Facts, a newspaper of general circulation in Brazoria County. Attached are the following proofs that notice was provided:

- a) an original and three copies of a publisher's affidavit of the newspaper publication with tear sheets of the published notice attached;
- b) four copies of each individual notice and map sent to neighboring utilities and affected parties;
- c) four copies of the landowner notice and map sent to each landowner; and
- d) an original and three copies of the signed affidavits that individual notice to neighboring utilities, affected individuals, and each landowner has been given.

Thank you for your review of the above referenced amendment application. If you have any questions or require further information, please contact me at the above address or telephone number.

Sincerely,

Peggy Paul
Orbit Systems, Inc.

Notice to Neighboring Systems, Landowners and Cities

**NOTICE OF APPLICATION FOR CERTIFICATE OF
CONVENIENCE AND NECESSITY (CCN) TO PROVIDE WATER
UTILITY SERVICE IN BRAZORIA COUNTY, TEXAS**

To: Orbit Systems, Inc. Date Notice Mailed: April 17, 2014
(Neighboring System, Landowner or City)
1302 Airline North
(Address)
Rosharon, TX 77583
(City State Zip)

Orbit Systems, Inc. has filed an application to amend CCN No. 11982 with the Texas Commission on Environmental Quality to provide water utility service in Brazoria County.

The proposed service area is located approximately 3 miles southwest of downtown Manvel, Texas, and is generally bounded on the north by approximately 1/2 mile north of County Road 64; on the east by County Road 64; on the south by pasture; and on the west by W. Fork Chocolate Bayou.

See enclosed map of the proposed service area.

The total area being requested includes approximately 35 acres and 0 current customers.

The proposed amendment affects customers and/or areas located in the following zip code: 77583.

A request for a public hearing must be in writing. You must state (1) your name, mailing address, and daytime telephone number; (2) the applicant's name, application number or another recognizable reference to this application; (3) the statement, "I/we request a public hearing"; (4) a brief description of how you or the persons you represent, would be adversely affected by the granting of the application for a CCN; and (5) your proposed adjustment to the application or CCN which would satisfy your concerns and cause you to withdraw your request for a hearing.

Persons who wish to intervene or comment should write the:

Texas Commission on Environmental Quality
Water Supply Division

Utilities and Districts Section, MC-153
P. O. Box 13087
Austin, TX 78711-3087

within thirty (30) days from the date of this publication or notice. A public hearing will be held only if a legally sufficient hearing request is received or if the Commission on its own motion requests a hearing. Only those individuals who submit a written hearing request or a written request to be notified if a hearing is set will receive notice if a hearing is scheduled.

If a public hearing is requested, the Executive Director will not issue the CCN and will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, the SOAH will submit a recommendation to the Commission for final decision. If an evidentiary hearing is held, it will be a legal proceeding similar to a civil trial in state district court.

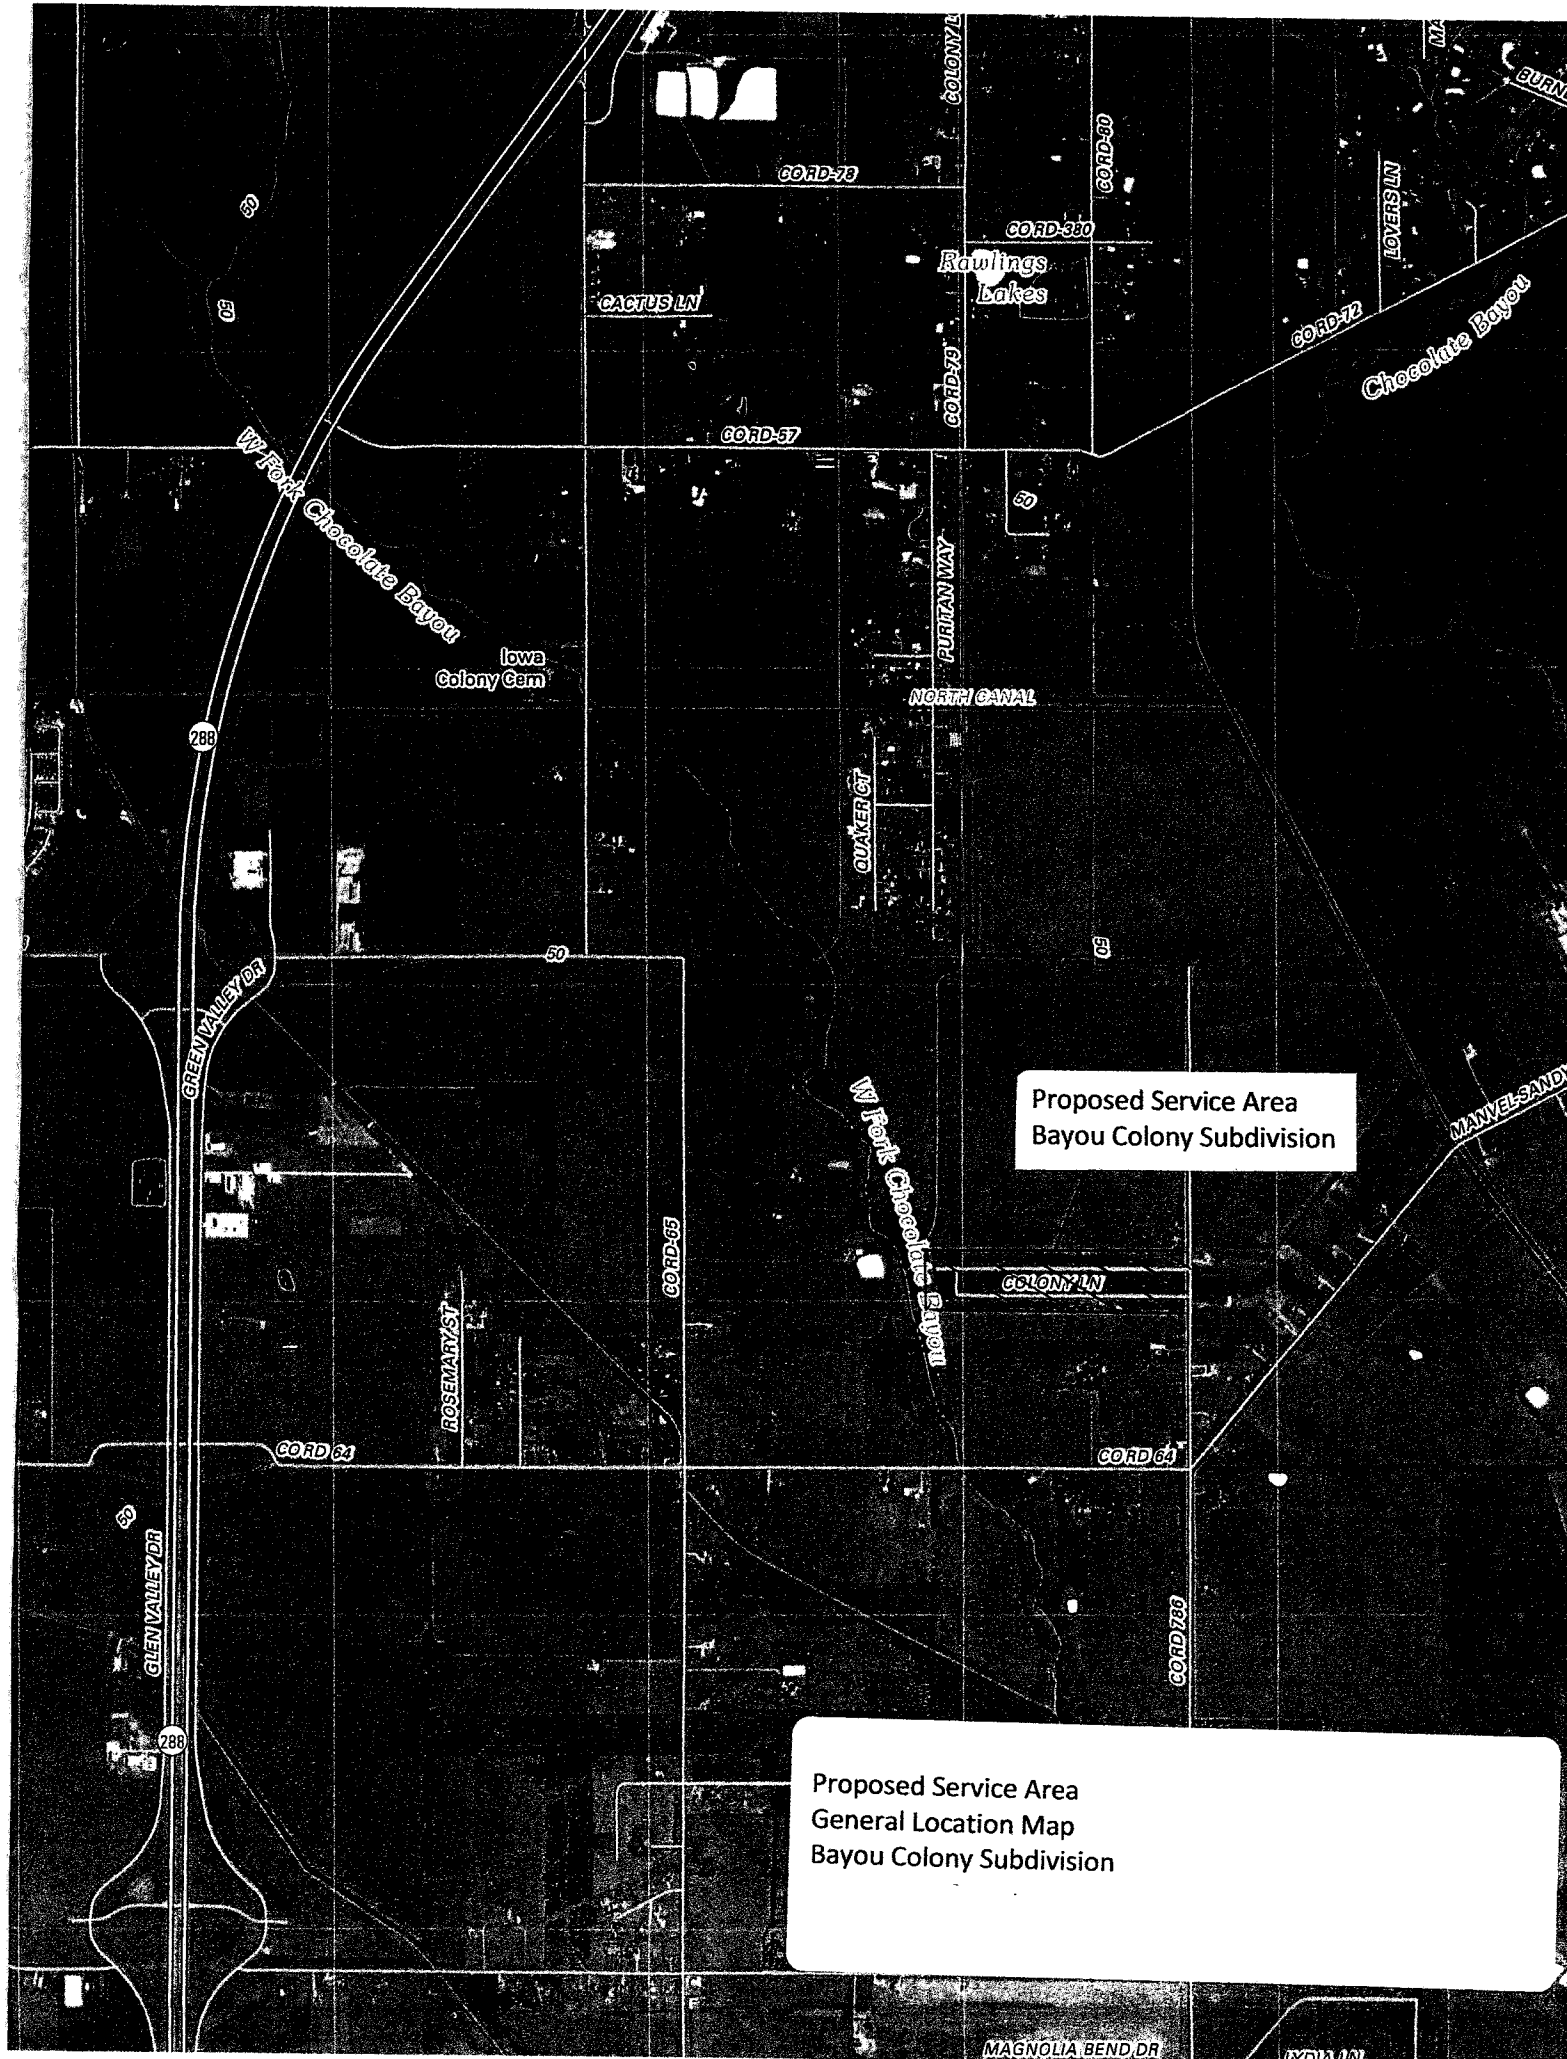

If you are a landowner with a tract of land at least 25 acres or more, that is partially or wholly located within the proposed area, you may request to be excluded from the proposed area (or "opt out") by providing written notice to the Commission within (30) days from the date that notice was provided by the applicant. All request to opt out of the requested service area must include a scaled, general location map and a metes and bounds description of the tract of land.

Persons who meet the requirements to opt out, and wish to request this option should file the required documents with the:

Texas Commission on Environmental Quality
Water Supply Division
Utilities and Districts Section, MC-153
P. O. Box 13087
Austin, TX 78711-3087

A copy of the request to opt out of the proposed area must also be sent to the applicant. Staff may request additional information regarding your request.

Si desea informacion en Espanol, puede llamar al 1-512-239-0200.

A public hearing will be held only if a legally sufficient hearing request is received or if the Commission on its own motion requests a hearing. Only those individuals who submit a written hearing request or a written request to be notified if a hearing is set will receive notice if a hearing is scheduled.

If a public hearing is requested, the Executive Director will not issue the CCN and will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, the SOAH will submit a recommendation to the Commission for final decision. If an evidentiary hearing is held, it will be a legal proceeding similar to a civil trial in state district court.

If you are a landowner with a tract of land at least 25 acres or more, that is partially or wholly located within the proposed area, you may request to be excluded from the proposed area (or "opt out") by providing written notice to the Commission within (30) days from the date that notice was provided by the applicant. All request to opt out of the requested service area must include a scaled, general location map and a metes and bounds description of the tract of land.

Persons who meet the requirements to opt out, and wish to request this option should file the required documents with the:

Texas Commission on Environmental Quality
Water Supply Division
Utilities and Districts Section, MC-153
P. O. Box 13087
Austin, TX 78711-3087

A copy of the request to opt out of the proposed area must also be sent to the applicant. Staff may request additional information regarding your request.

Notice to Neighboring Systems, Landowners and Cities

**NOTICE OF APPLICATION FOR CERTIFICATE OF
CONVENIENCE AND NECESSITY (CCN) TO PROVIDE WATER
UTILITY SERVICE IN BRAZORIA COUNTY, TEXAS**

To: Brazoria County MUD 31 Date Notice Mailed: April 17, 2014
(Neighboring System, Landowner or City)
3200 Southwest Fwy, Ste. 2600
Allen Boone Humphries Robinson LLP
(Address)
Houston TX 77027-7537
(City State Zip)

Orbit Systems, Inc. has filed an application to amend CCN No. 11982 with the Texas Commission on Environmental Quality to provide water utility service in Brazoria County.

The proposed service area is located approximately 3 miles southwest of downtown Manvel, Texas, and is generally bounded on the north by approximately 1/2 mile north of County Road 64; on the east by County Road 64; on the south by pasture; and on the west by W. Fork Chocolate Bayou.

See enclosed map of the proposed service area.

The total area being requested includes approximately 35 acres and 0 current customers.

The proposed amendment affects customers and/or areas located in the following zip code: 77583.

A request for a public hearing must be in writing. You must state (1) your name, mailing address, and daytime telephone number; (2) the applicant's name, application number or another recognizable reference to this application; (3) the statement, "I/we request a public hearing"; (4) a brief description of how you or the persons you represent, would be adversely affected by the granting of the application for a CCN; and (5) your proposed adjustment to the application or CCN which would satisfy your concerns and cause you to withdraw your request for a hearing.

Persons who wish to intervene or comment should write the:

Texas Commission on Environmental Quality

Water Supply Division
Utilities and Districts Section, MC-153
P. O. Box 13087
Austin, TX 78711-3087

within thirty (30) days from the date of this publication or notice. A public hearing will be held only if a legally sufficient hearing request is received or if the Commission on its own motion requests a hearing. Only those individuals who submit a written hearing request or a written request to be notified if a hearing is set will receive notice if a hearing is scheduled.

If a public hearing is requested, the Executive Director will not issue the CCN and will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, the SOAH will submit a recommendation to the Commission for final decision. If an evidentiary hearing is held, it will be a legal proceeding similar to a civil trial in state district court.

If you are a landowner with a tract of land at least 25 acres or more, that is partially or wholly located within the proposed area, you may request to be excluded from the proposed area (or "opt out") by providing written notice to the Commission within (30) days from the date that notice was provided by the applicant. All request to opt out of the requested service area must include a scaled, general location map and a metes and bounds description of the tract of land.

Persons who meet the requirements to opt out, and wish to request this option should file the required documents with the:

Texas Commission on Environmental Quality
Water Supply Division
Utilities and Districts Section, MC-153
P. O. Box 13087
Austin, TX 78711-3087

A copy of the request to opt out of the proposed area must also be sent to the applicant. Staff may request additional information regarding your request.

(Neighboring System, Landowner or City)
136 Disney Street
(Address)
Rosharon TX 77583
(City State Zip)

Orbit Systems, Inc. has filed an application to amend CCN No. 11982 with the Texas Commission on Environmental Quality to provide water utility service in Brazoria County.

The proposed service area is located approximately 3 miles southwest of downtown Manvel, Texas, and is generally bounded on the north by approximately ½ mile north of County Road 64; on the east by County Road 64; on the south by pasture; and on the west by W. Fork Chocolate Bayou.

See enclosed map of the proposed service area.

The total area being requested includes approximately 35 acres and 0 current customers.

The proposed amendment affects customers and/or areas located in the following zip code: 77583.

A request for a public hearing must be in writing. You must state (1) your name, mailing address, and daytime telephone number; (2) the applicant's name, application number or another recognizable reference to this application; (3) the statement, "I/we request a public hearing"; (4) a brief description of how you or the persons you represent, would be adversely affected by the granting of the application for a CCN; and (5) your proposed adjustment to the application or CCN which would satisfy your concerns and cause you to withdraw your request for a hearing.

Persons who wish to intervene or comment should write the:

Texas Commission on Environmental Quality
Water Supply Division

Utilities and Districts Section, MC-153
P. O. Box 13087
Austin, TX 78711-3087

within thirty (30) days from the date of this publication or notice. A public hearing will be held only if a legally sufficient hearing request is received or if the Commission on its own motion requests a hearing. Only those individuals who submit a written hearing request or a written request to be notified if a hearing is set will receive notice if a hearing is scheduled.

If a public hearing is requested, the Executive Director will not issue the CCN and will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, the SOAH will submit a recommendation to the Commission for final decision. If an evidentiary hearing is held, it will be a legal proceeding similar to a civil trial in state district court.

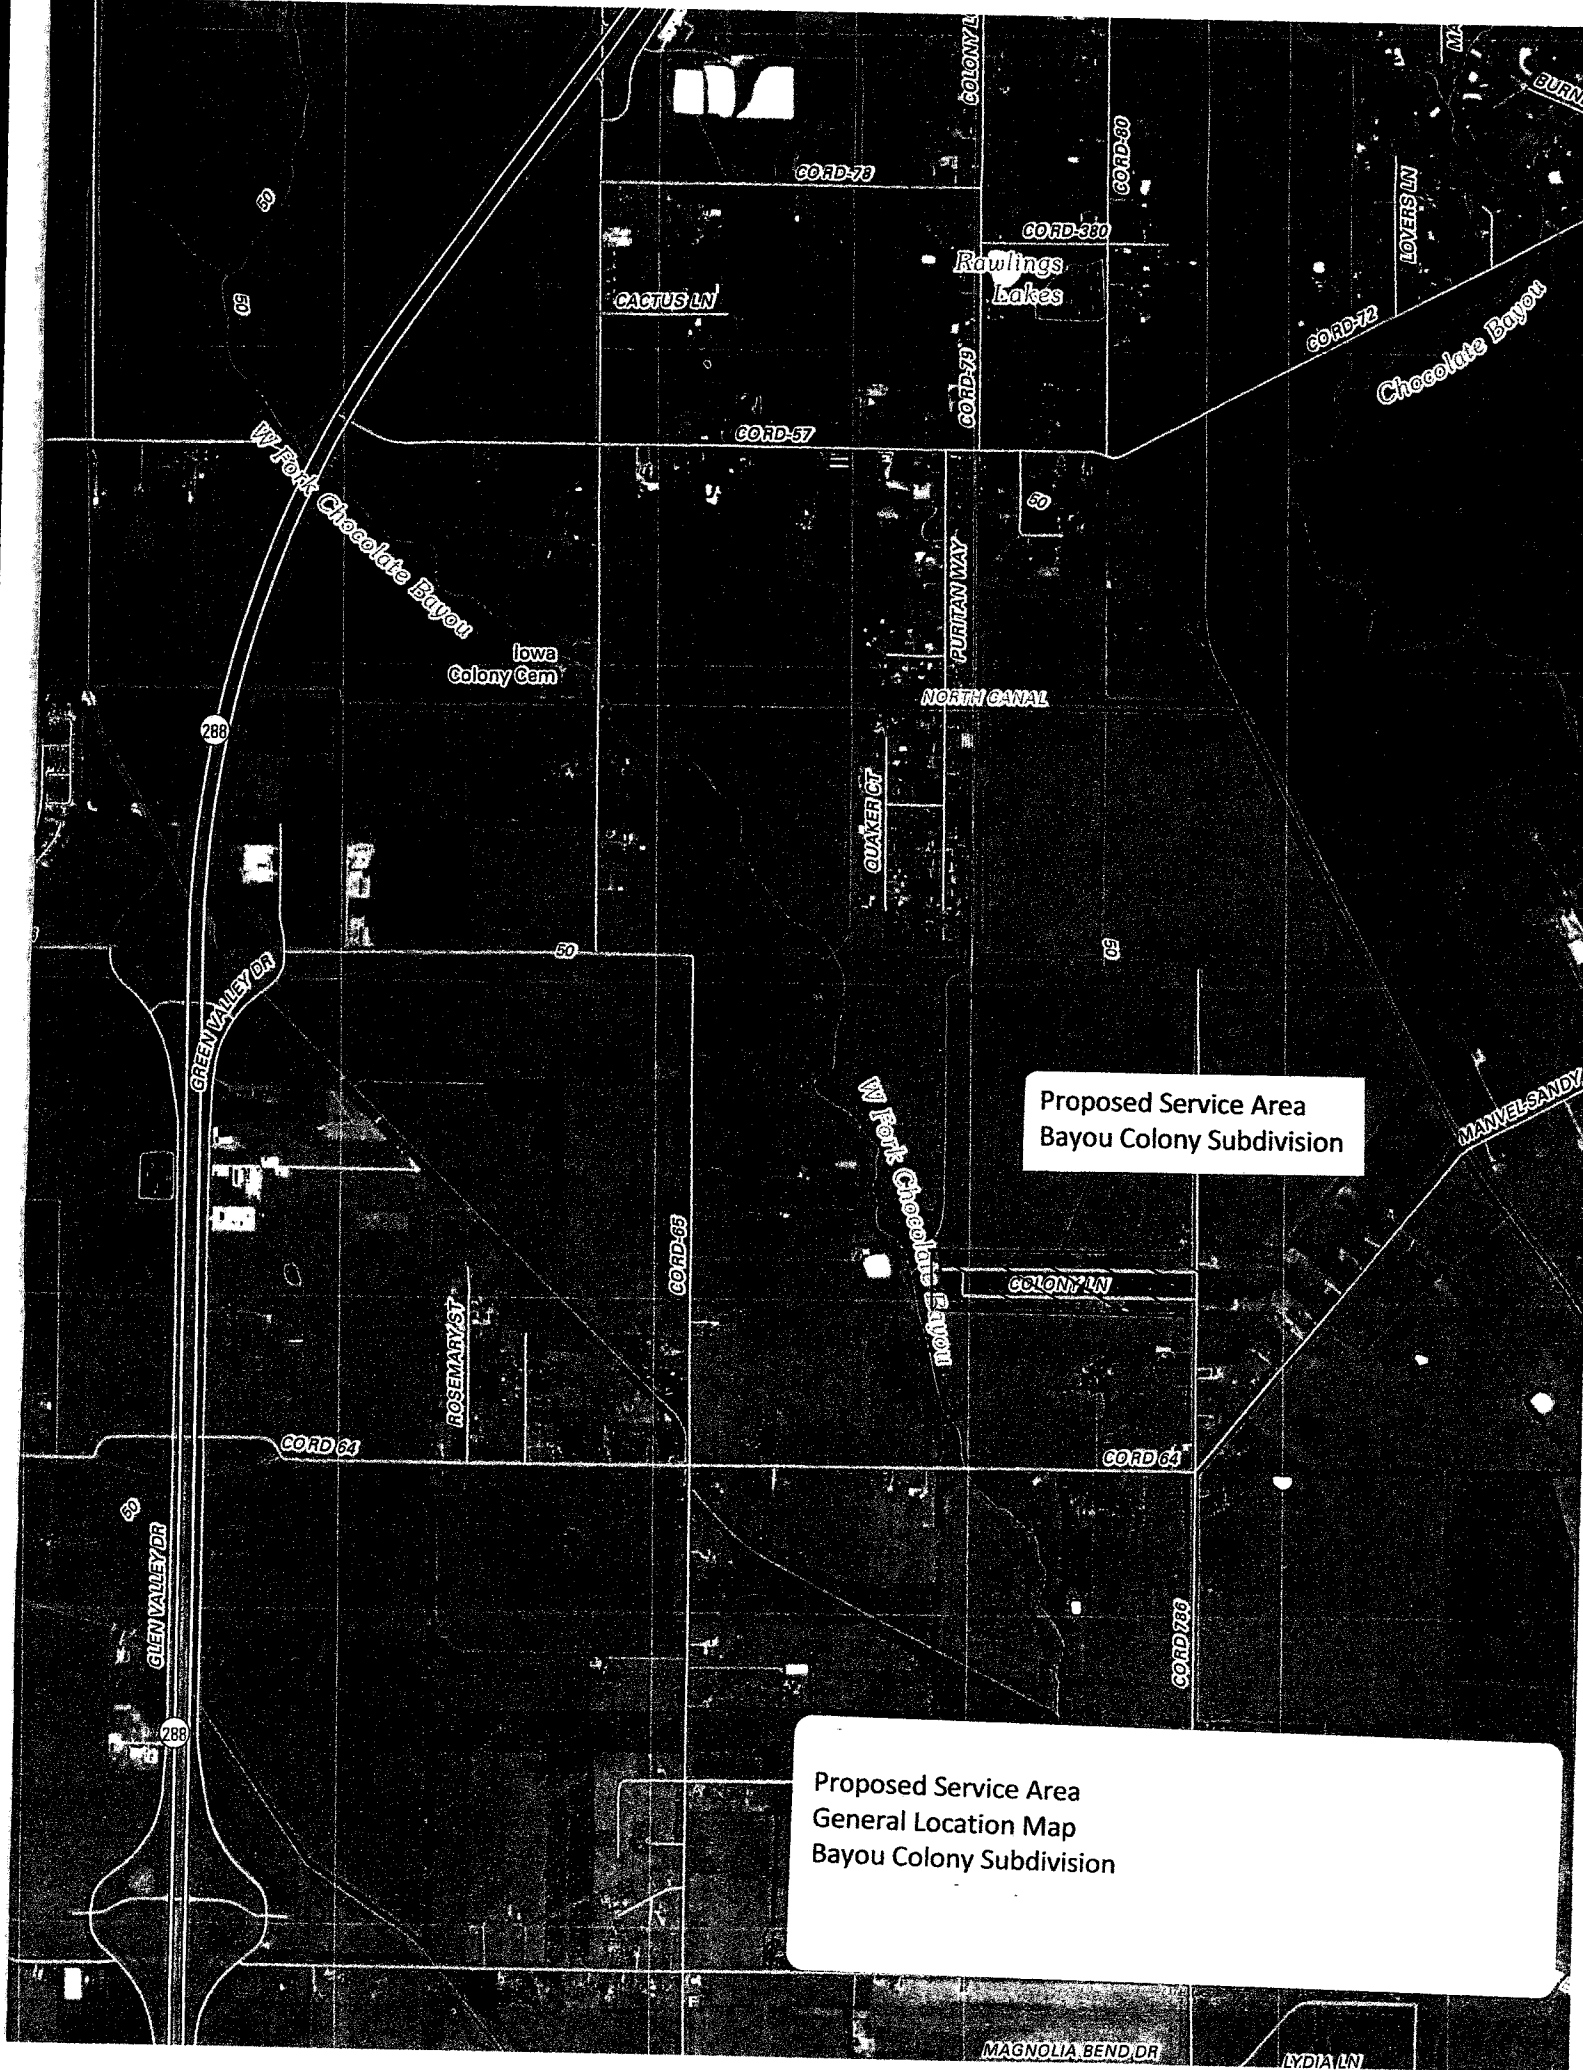

If you are a landowner with a tract of land at least 25 acres or more, that is partially or wholly located within the proposed area, you may request to be excluded from the proposed area (or "opt out") by providing written notice to the Commission within (30) days from the date that notice was provided by the applicant. All request to opt out of the requested service area must include a scaled, general location map and a metes and bounds description of the tract of land.

Persons who meet the requirements to opt out, and wish to request this option should file the required documents with the:

Texas Commission on Environmental Quality
Water Supply Division
Utilities and Districts Section, MC-153
P. O. Box 13087
Austin, TX 78711-3087

A copy of the request to opt out of the proposed area must also be sent to the applicant. Staff may request additional information regarding your request.
