**ORDER NO. 11  
REQUEST FOR ADDITIONAL INFORMATION AND  
AMENDING PROCEDURAL SCHEDULE**

**I. Background**

On August 29, 2014, the City of Schertz (Schertz or the City), filed an application to amend its sewer certificate of convenience (CCN) No. 20271 in Bexar County, Texas. On May 5, 2015, Order No. 10 was issued, deeming the application administratively complete and establishing a procedural schedule. On June 17, 2015, a request to opt-out of the proposed area was filed by Ms. Vernell S. Handley. On July 14, 2015, Schertz filed revised hard-copy maps and digital data in response to the request of Ms. Handley to opt-out of the City's proposed service areas.

**II. Commission Staff Recommendation**

On August 11, 2015, Public Utility Commission of Texas (Commission) Staff responded to Order No. 10, requesting additional information from Schertz and proposing additional procedural schedule. Commission Staff stated that upon review of the revised maps and documents, it was unable to determine the location of Ms. Handley's property. Commission Staff also stated that sections of the City's affidavits of notice appear to be missing. For these reasons, Commission Staff requested that affidavits of notice be re-submitted and that Schertz be required to provide additional mapping information, as specifically described in the pleading and the attached memorandum of Mary Lupo, Utilities Rates Analyst/Auditor, and Tracy Harbour, GIS Specialist, of the Commission's Water Utility Utilities Division.

**III. Procedural Schedule**

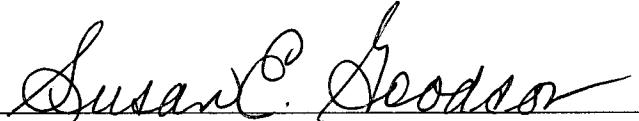

Commission Staff's proposed procedural schedule, is adopted:

Deadline for City of Schertz to supplement the application	September 15, 2015
Deadline for Commission Staff to file a recommendation on the amended application and propose additional procedural schedule	October 15, 2015
