Re: Docket No. 43253: City of Schertz -- Response to Request for Explanation of Revised Mapping Exhibits Submittal

Dear Commission Clerk:

Per request from the Public Utility Commission for Explanation of Revised Mapping Exhibits Submittal in August 2015:

- The requested Handley properties are shown as an opt-out, except but 1.756 acres ingress and egress easement. The easement is not shown as part of the opt out because it is property owned by Terry Godwin, and the easement is provided to the Handley family for ingress and egress.
- The boundary of the request was revised on the northwest side of Lower Seguin Road at Tates Drive removing a 5.2 acre portion of the request that does not reside within the city limits of Schertz.

Please contact me by telephone at (210) 619-1800 if you have any questions regarding this matter. We will await further direction from PUC regarding this application and approval of the Dual CCN Certification.

Sincerely,

Sam D. Willoughby
Public Works Director
