**ORDER NO. 15
FURTHER AMENDING PROCEDURAL SCHEDULE**

On December 18, 2015, Order No. 14 was issued, amending the procedural schedule consistent with a recommendation filed by Public Utility Commission of Texas (Commission) Staff on December 15, 2015 in its response to Order No. 13. On the same day Order No. 14 was issued, Commission Staff filed an amended response to Order No. 13, stating that it had come to Staff's attention that the City of Schertz incurred a Texas Commission on Environmental Quality (TCEQ) violation in November 2015. Therefore, Commission Staff stated that processing of this application cannot proceed until the City demonstrates that it is addressing the violation or has received an exemption from TCEQ and requested further amendment of the procedural schedule. To allow time for submission of additional information by the City and subsequent Staff review, Commission Staff requests that its deadline to request a hearing, file a recommendation on final disposition, or recommend an amended procedural schedule be moved from January 6, 2016 to March 9, 2016.

Commission Staff's request is granted. On or before **March 9, 2016**, Commission Staff shall request a hearing, file a recommendation on final disposition, or recommend an amended procedural schedule.

SIGNED AT AUSTIN, TEXAS on the 21ST day of December 2015.
